PORTABLE, PRACTICAL, ROLL-ON ESSENTIAL OILS NOW IN SIX FRAGRANT, HEALING BLENDS

How can you possibly improve the world's finest essential oils?
By making them **spill-proof!**

Young Living® offers six special essential oil blends in roll-on bottles so you may enjoy your favorite oils anytime, anywhere, without spilling a drop. Perfectly portable, they fit in a pocket, purse or desk.

Each tall, slender glass bottle is topped with a stainless steel roller-ball for greater control over the amount and location of your application.

-Precise control over HOW MUCH essential oil you apply is especially important when giving to children.

-Precise control over WHERE you apply the essential oils is also important. The roller-ball places the oils exactly WHERE you want them, to avoid contact with eyes, contact lenses, tender skin, clothing, etc.
